### 4.1 PETITIONS AND DEPUTATIONS

The Local Authority received deputations from the following:

**DEPUTATION:** Jesuit Social Services  
**SUBJECT:** Did not attend

**DEPUTATION:** NT Police  
**PRESENTER:** Superintendent Jody Nobbs and Sargent Sarah Brooks  
**SUBJECT:** Policing in community

- Superintendent Nobbs talked about the importance of working with community to address issues before they become problems and encouraged a “joined up” approach of community and police working together
- Superintended Nobbs talked about working with the NT Government and the Local Authority to improve communications
- Police from across the region are working together to address issues which means that police from communities and Alice Springs may sometimes attend issues in Atitjere, and Atitjere police will be required to attend issues in other communities
- At the request of the community, police support Community Safety Patrol (CSP) attending cultural issues and police will only attend as a last resort. Police are aiming to work better with CSP
- Police are looking for ideas from community to keep people safe – prefer to prevent hard rather than respond to it

**MOTION: William Liddle / Barbara Petrick**

The Local Authority requests that the CEO investigate opportunities for Central Desert Regional Council to work with NT Police to deliver harm minimisation messages.

**DEPUTATION:** NT Department of Health (DOH)  
**PRESENTER:** Olivia Ryder  
**SUBJECT:** Cultural issues in the morgue, health programs, visiting health services and Patient Assisted Travel Program (PATS)

- Community have raised concerns about the morgue being used for locals and tourists which presents cultural issues. The DOH reported that Atitjere’s morgue is due for renovations and whilst a second morgue would probably not be possible, alterations to the existing one may be.

- Ms Ryder reported that the following programs are currently operating in community; Child Health, mental health and midwife. Men's health program is also occurring but not regularly. DOH is looking at ways they can work with other providers and suggested that a Health Advocacy Group (HAG) be established in community.
- Ms Ryder will arrange for a DOH representative to speak to community about a HAG.
- Ms Ryder mentioned that the dental truck is parking next to the clinic but is happy to relocate if community would like it elsewhere. The truck needs access to water and electricity.

Projects 16/17 & 17/18	Comments	Estimated cost	Spent YTD (G)
Resurfacing Basketball Court	Balance over and above LA funds to come from CDRC consolidated revenue.  Final seal has been delayed due to a break down of the spray machine. Waiting for parts. Rescheduled completion end April 18.	LA Funds: \$56,897  Council: \$40,103  Total: \$97,000	10,210.34
