General Conditions

Indemnity

Organisations hiring Council facilities are required to have public liability insurance cover.

Groups and individuals without their own public liability insurance must be aware that Central Desert Shire Council will not be held liable for any accident occurring through the actions or negligence of group members or guests.

Responsibility for Damage to Council Property

The cost of damage to Council property will be recovered from the party responsible. In the case of hire of Council property the hirer will be held responsible and in the case of a permit/licence holder the holder will be held responsible. The cost of repairs will be calculated as the:

- Actual invoiced cost to Council of materials and services used
- Cost of Council labour, plant and stores used including overheads
- Sub Total
- Add 15% to Sub-Total = Total Cost that will be recovered.
