Title	Use of Station and Private Roads Policy			P70
Type	Council Policy			
Document Owner	Director, Council Services			
Approval Date	31 May 2019	Review Date	31 May 2022	
MaGiQ Document ID	690804	Council Resolution Number	OC056/2019	

PURPOSE

In some cases these roads are used by government and agency employees, Council employees, external contractors and other individuals.

While Central Desert Regional is not in a position to manage the use of these roads by non-Regional staff, external contractors and other individuals it is able to exercise control over its own staff, and the contractors it employs.

Within Central Desert Regional Council area, a number of stations have internal (private) roads that provide convenient access between Service Delivery Centers, outstations and public access roads.

SCOPE

This policy applies to all Council employees using station or private roads

DEFINITION AND TERMS

Employee - Includes a Council employee, apprentice or trainee, a student gaining work experience, a volunteer, a contractor or subcontractor, an employee of a contractor or subcontractor or an employee of a labour hire company, hereafter referred to as 'employees'

POLICY STATEMENT

Use of these roads should only occur with permission of the owner with the exception of the access rights endowed to local indigenous residents.

When using station or private roads special care will be taken to ensure the road surface is not damaged (particularly in wet conditions), that all private property is protected from damage, and that all gates are left in the manner found.

Usage of station and private roads will be minimised, and is only allowed where there is no route using public roads.
